

Apprentice Landscaper

Cornerstone Horticulture Landscaping & Design is seeking applications for an Apprentice in Landscape Construction.

Cornerstone Horticulture Landscaping & Design is a medium sized, growing landscaping company based on the Central Coast. We build premium gardens that have been designed by award winning landscape designers. We are known for our quality workmanship and producing some of the Central Coasts finest residential gardens. You will receive training in all aspects of landscaping including (but not limited to) bulk earthworks, site set out, drainage, retaining walls, carpentry, steel works, paving, irrigation and plant installation.

Applicants must have a good work ethic, be honest and reliable, be able to work well within a team, have good communication skills, hold a manual driver's licence and a WHS White Card.

You will be required to enrol in Landscape Construction at Ryde TAFE. In addition to studying, you will receive full on the job training and all tools, professional equipment, PPE and uniforms will be provided to you. Cornerstone has an outstanding workplace culture and this opportunity will set you up with a strong career in the landscaping industry.

Applicants must show a demonstrated interest in landscape construction and have a desire to gain a trade in this field. You will be physically fit and have a love of working outdoors.

To view the quality of the landscapes that you will get the opportunity to work on please have a look at our website: cornerstonelandscaping.com.au

PLEASE ONLY APPLY FOR THIS JOB IF YOU HAVE A GENUINE INTEREST IN LANDSCAPING.

You must have the **right to live and work** in Australia to apply for this job.

If you feel you would be suitable for this position, please send your resume with 2 references and cover letter to: tracy@cornerstonelandscaping.com.au
